Start Referee Duties at Regional events: This checklist serves as a guide only.
Please refer to the ICR for detailed responsibilities. **Bring ICR to race.**

	Ensure a fair Safe competition
	Prior to race start: • The Start Referee must remain at the start from the beginning of the official inspection time and until the end of the event. • Start coral ensures the safety of competitors, and access for course crew, while ensuring the public cannot access the race run • Ensure forerunner bibs and extra bibs are available at the start • Coordinate with start list organizer, starter and start hand-timer • All are in position before the start • Determine jury member positions on course • Ask Jury for racer intervals • Ensure clear communication of Jury radio: Finish Referee, Timing and Jury • Agree on Radio protocol with Jury (and Finish Referee): Start-Stop, racer down and course clear protocols are established
	During the race: • Radio Protocol: course clear, start-stop, racer, down, course maintenance • Report names of racers who did not start • Ensure racer's equipment adheres to regulations: helmets, baskets on poles, etc • Determine late and false starts • Announce forerunners on course, 1st racer on course, last racer on course • Check in with finish referee and jury for re-runs, 10 racers from last racer.
	After the race: (each run) • Provide list of names/#s of late and false starts to Referee • Relay "course closed" from COR to start area

Finish Referee Duties at Regional events: This checklist serves as a guide only. Please refer to the ICR for detailed responsibilities. **Bring ICR to race.**

	Ensure a fair Safe competition
	Prior to race start: • The Finish Referee must remain at the finish from the beginning of the official inspection time and until the end of the event. • Ensure the finish in-run and out-run are properly observed. • Determine jury member positions on course • Ask Jury for racer intervals • Ensure clear communication of Jury radio: Start Referee, Timing and Jury • Agree on Radio protocol with Jury (and Start Referee): Start-Stop, racer down and course clear protocols are established
	During the race: • Report to Jury the feedback of forerunners on the race course and conditions • Observe Radio Protocol: course clear, start-stop, racer down, course maintenance • Report racers who did not finish and/or all infringements against the rules • Provide Start Referee and Jury names and #s of re-runs.
	After the race: (each run) • Relay "course closed" from COR to finish area
